Hello all Piecemakers,

Ladies, I went on vacation and guess what? I ended up getting sick. Not fun but I am recovering. I am home and looking forward to seeing everyone.

Thank you to Marsha Cole for conducting the meeting last month. The program in March will be a demonstration on how to make batiks.

The Homemakers and Quilt Guild are putting together a display at the Anderson County Public Library in March and May. Please let us display your items to show off to our community. You can drop the items off at the extension office or contact Marsha. She will be setting up the display on Wednesday, March 1st and if you would like to help reach out to her.

See you in March!

Joan B.
