April has been quite different for all of us. We have seen devastating floods in our county and surrounding counties.

We will be electing new offices in May. We will need to fill these positions: President, Vice-President, and Secretary. If you would like to serve in one of these offices, please let Joan or Mary know.

Have you kept up with your volunteer hours this year? How many books have you read this year? How many blankets, pillowcases, dishcloths, hug quilts have you made?

On the third Saturday the room will be open to make items for the Bazaar. Come and help us. (See Kay Scheffler)

Service Projects:

Our quilts for kids' project that is provided to both the city and county police in Anderson County is an on-going project that we continue to do throughout the year.

Please let us know if there is another service project you feel the guild might participate.

New Business

All Officers are required to complete a background check with the Extension Office, which is required by the University of Kentucky.

Home Craft and Garden Fair will be later this year in the downstairs of the Extension Office Building. Start gathering your items. We will need volunteers to work. We will be working on our catalogue as well. More details are coming soon.

Announcements

Do not forget to work on your challenge quilt for show in July 2025, the date has been extended so everyone has time to complete it. I cannot wait to see how everyone's favorite color is displaced in the Mexican Tile Quilt.

Quilter's Spotlight

This month the spotlight is on our members.

Pat Miller has been quilting for two years and has made three quilts. Her most unique quilt was the Log Cabin, it was also her favorite quilt. The most unique thing about Pat is her energy, and her favorite food is lobster, and the favorite color is yellow. Pat has four children and five grandchildren.

Wilma Larrabee has been quilting for nine years. She has made at least one quilt each month since she started quilting. WOW that is impressive. Her most unique quilt was the "Ribbon Bow" by Tulip Square. Wilma grew up on a farm in Iowa, I cannot imagine how cold those winters were. Her favorite color is red, and she loves ice cream. Wilma has three children and three grandchildren.
