April Meeting Minutes:

Regular meeting of the Anderson County Piecemakers Quilt Guild

4/01/24 at 6:01 pm at the UK Extension Building

Officers Joan Beard, Pat Miller and Shelly Winsor were present.

Joan called the meeting to order and introduced her sister who was visiting for their brother's funeral. Pat Miller shared about her husband passing and Roetta would appreciate prayers for her brother who she is caring for.

Connie introduced her friend Robin Quinn who was attending to teach us another hexagon technique.

Mattie Spaulding gave the inspiration. She shared some statistics about average incomes around the world. The average annual income in the U.S. is \$70,000. Compared to many other countries like Mexico whose annual income is \$9,000, or Afghanistan at \$500. We are blessed that we live in such a prosperous country. Which started a fun discussion of what some of the ladies were paid back in the day. (Which was not much compared to today!)

Treasurer's report was given by Pat Miller. There has been no change from the previous month.

Birthdays were recognized. Project day Thursday April 4th. See newsletter for dates of upcoming events.

Report from those who attended Quilter's Day Out. There was a good turnout and the key fobs and the basket from our guild were well received.

Vice President and Secretary terms are up; we will need to appoint new members for those offices at next month's guild meeting. We also need a newsletter editor.

Creating a "Program Committee" under the direction of the Vice President was discussed. Some ideas are, using our budget to bring people in to teach us things possibly: Mona from Bluegrass quilting, Thomas, from Sew a Lot, or DJ could teach Outlaw sewing. (Which means making more than one block at a time.) Project day ideas: Shopping bags, Seat belt covers, Bazaar items. Carol W., Mary L., and Cheri M volunteered to be on the committee. Also, there was discussion on making more of a contribution to the community.

Connie announced an annual Quilt Show to be held on Sept. 21st, 2024, at Camp Nelson National Monument. Civil War reproduction and Underground Railroad quilts will be displayed. A Quilter's yard sale will be on Sept. 28th. The Cultural Arts contest is this month. Robin Quinn gave us a hands-on demonstration on how to create a hexagon block without paper piecing. Sew and Tell: for pictures of projects shared see the Guild Facebook page. Door prizes and April Fool's Day gifts were shared. Meeting ended at 8:02
Shelly Winsor, Secretary

After Sew and Tell and door prizes meeting was dismissed.
